COVID-19 RESPONSE GROUP

COVID-19: TESTING

- Significant reduction in demand for COVID testing, resulting in reduced operating hours (June – closed on Wednesdays, Saturdays, and Sundays)
- For the remaining 3 Wednesdays in June (16, 23, 30), there is a clerk at the Assessment Centre from 2:00pm - 3:30pm to process tests
- Starting July 5th, the Assessment Centre's hour of operations are to Monday – Friday from 8:15am – 12:15pm

COVID-19: ISOLATION

- 312 individuals accommodated to date
- 70 COVID-positive to date
- 8 people currently isolating

COVID-19: TEMPORARY HOUSING – VULNERABLE SECTOR

- Kenora Waterview Housing Project continues to support 16 people by providing housing, meals and 24-hour staff support through an agreement between KACL and KDSB
- Vulnerable Persons Sub-Committee continues to meet to review applications for Waterview Housing
- The completion of the fire escape will allow 3-4 more rooms for occupancy
- Staff that provide support to people who live at Waterview are faced with many challenges. It is their goal to build the Waterview community and develop relationships that are vital to determining housing and service needs for the people they serve. Staff use approaches that recognize the impact of historical trauma, are trauma informed, and necessitate a need for safe and secure housing.
- Support is being provided to Waterview tenants for second COVID vaccinations
- Preparing to have container gardens on the Waterview deck, garden supplies funded by KACL Endowment Fund

The All Nations Health Partners Ontario Health Team (ANHP OHT) meet bi-weekly to review the ongoing strategic initiatives of the ANHP's working groups, provide partner input and make decisions that assist in working towards the development of a seamless, patient-centered health care system.

This week, the ANHP OHT Partner Table heard a presentation from the Northern Supply Chain. A discussion was had about what generative items Partners can discuss at future meetings. A new Housing and Homelessness group will be launched. Finally, a conversation was had in regard to the Home and Community Care Regulation Stakeholder Engagement, as the Ministry of Health is requesting ANHP OHT to review and provide feedback on the updated proposal for new regulations.
