

ALL NATIONS
HEALTH PARTNERS

BI-WEEKLY SUMMARY

June 30, 2021

COMMUNICATIONS

- Partners collaborated on a video to launch the All Nations Health Partners logo, which was shared on social media
- Partnered with Lake of the Woods Sunrise Soap Company to make soap aligning with All Nations Health Partners logo colours to celebrate logo launch – soaps were distributed at a Northwestern Health Unit vaccine clinic, Sunset Country Family Health Team’s office, and City of Kenora summer students distributed downtown
- Collaborated on National Indigenous People Day event – included signage along the greenbelt sharing about the 7 teachings and how partners are working towards reconciliation
- Kenora Chiefs Advisory held ceremonial event at Seven Generations Education Institute outside in the field with dancer and drumming demonstrations
- New website has officially launched, visit www.anhp.net

DIGITAL STRATEGY

- Previously reported work is still ongoing
- Key meetings are scheduled to move digital agenda forward

HEALTH HUMAN RESOURCES STRATEGY (RECRUITMENT)

- Dr. Sarah Newberry will be the guest speaker at September’s Committee Meeting

PRIMARY CARE

- Presented the Primary Care Blueprint back to stakeholders including: All Nations Health Partners council, Sunset Country Family Health Team interdisciplinary team, Family Health Network physicians, Waasegiizhig Nanaandawe'iyewigamig (WNHAC) providers/administration, and a hospital grand rounds with invitation to all community partners – it has been well received thus far.
- Next steps involve meeting with Clinical Advisory Committee to up consolidate some of the 42 priority actions of the blueprint, further prioritize actions and start to map out and create an inventory of current initiatives already occurring under the 42 action items.
- Worked towards finalizing the Terms of Reference for the new Clinical Advisory Committee

PATIENT FAMILY & ELDER ADVISORY

- Reviewed and edited the matrix for the PFEAC and the application form
- Next steps are to develop a set of interview questions with a scoring system, and advertise call for applications

GOVERNANCE

- Invited to participate in a generative discussion on reasons why the ANHP OHT should become a legal entity

COVID-19 RESPONSE GROUP

COVID-19: ISOLATION

- 318 individuals accommodated to date, over 267 unique clients to date
- 71 COVID-positive to date
- 4 people currently isolating

COVID-19: TEMPORARY HOUSING – VULNERABLE SECTOR

- 16 people continue to call Waterview home
- 4 rooms on the lake side of the building have been approved for people who have been prioritized by the vulnerable persons sub-committee
- Summer student has started
- Ne Chee Friendship Centre has been added to the list of services offered at Waterview, the Indigenous Healing & Wellness Coordinator will provide programming with interested occupants on a weekly basis
- Plan to publish a neighbourhood newsletter about Waterview, for distribution in July

The All Nations Health Partners Ontario Health Team (ANHP OHT) meet bi-weekly to review the ongoing strategic initiatives of the ANHP’s working groups, provide partner input and make decisions that assist in working towards the development of a seamless, patient-centered health care system.

This week, the ANHP OHT Partner Table listened to guest speaker Kate Dewhirst, in regards to Becoming One Health Information Custodian and lead a generative discussion on the local Residential School burial site searches.
