- Future meeting scheduled to continue to plan for the vision and implementation of the work that will be done by the working group

### PRIMARY CARE & SPECIALISTS

- Physician sub-group will have its first meeting at the end of September to discuss primary care physician service models for ANHP area
- Meeting regarding NORTHH Practise Based Research Network occurred with various partners
- Opportunities to support ANHP with the collaborative quality improvement plan and community driven primary care research projects were explored (cancer screening research project across OHT)
- Preliminary meetings held with consultants to explore possibility of working together to create 1 – 3 year strategic plan to advance and implement primary care blueprint
- Primary Care interim proposal funding for First Nations Primary care still stalled but under consideration within MOHLTC

### COVID-19 RESPONSE GROUP

#### COVID-19: TEMPORARY HOUSING – VULNERABLE SECTOR

- The focus of the Kenora Waterview Housing Project is to meet people where they are at, staff are supportive and nonjudgmental, providing a housing first approach, believing people are better able to make positive life choices if they are housed
- 21 people continue to reside at the Waterview – all rooms are full
- Operational for 9 months, no one has had to leave due to eviction and there is a daily schedule each week with partner agencies who assist occupants
- Partner services/supports offered are based on occupant requests and are individualized and centered on the person; services offered:
  - Harm Reduction Options
  - Access To Traditional Healing
  - Western Medicine
  - Counselling and Sharing Circles
  - Foot Care
  - Sexual Assault Education
  - Life Skills
  - Case Management
  - Education Upgrades (GED)
  - Addictions Medicine (RAAM)
  - Crafts and Recreation

### Working Group Updates

***The All Nations Health Partners Ontario Health Team (ANHP OHT) meet bi-weekly to review the ongoing strategic initiatives of the ANHP's working groups, provide partner input and make decisions that assist in working towards the development of a seamless, patient-centered health care system.***

**This week, the ANHP OHT Partner Table heard a presentation on the Kenora Justice Centre initiative and the status of the project. Partners shared how they were recognizing September 30th as National Day for Truth & Reconciliation and Orange Shirt Day. Partners discussed collaborating on highlighting achievements and successes of the ANHP.**
