

ALL NATIONS
HEALTH PARTNERS

BI-WEEKLY SUMMARY

September 8, 2021

DIGITAL STRATEGY

- Completed full digital inventory
- Completed Governance Risk and Compliance for Digital Health Framework, ready for implementation
- Identified digital focus: Primary Care, Mental Health, and Home & Community Care
- Progress towards the All Nations Digital Architecture for Interoperability
- Explored combining electronic medical records within partnering health organizations
- Launching Ocean eReferral network. It is designed to streamline sending referrals, providing fast, efficient, and secure communication and patient care - keeping providers informed through status updates in the patient chart and Ocean portal, and can keep patients updated with the status of their referral through automatic emailed alerts
- Ontario Health confirmed ANHP OHT is leading the north from a digital perspective
- Reviewed and explored funding opportunities for Integration, Integrated Virtual Care, Patient Booking, and Innovation

COMMUNICATIONS

- Worked together on various communication initiatives, including supporting the Patient Family and Elder Advisory Committee with Membership Recruitment and the upcoming Primary Care session
- Developed new branded tools for working groups to use

GOVERNANCE

- Had a generative discussion on why becoming a legal entity would be important for the Ontario Health Team

HEALTH HUMAN RESOURCES STRATEGY (RECRUITMENT)

- September meeting dedicated to a presentation by Northern Ontario School of Medicine (NOSM)

HOME & COMMUNITY SUPPORT SERVICES

- Worked on detailing Home and Community Care services in Kenora and surrounding communities. The purpose of this work is to quantify and detail the demand for home care professional and personal support services across the Ontario Health Team. It's important to note, this work is not intended nor seeking to disrupt existing Indigenous Home Care programs. The goal is to quantify where this region needs to be right-sized with funding and resources.

TRADITIONAL HEALERS ADVISORY GROUP

- Recommended that a meeting with Cultural Coordinator's from various organizations and communities come together to co-create what the Traditional Healers Advisory development will entail
- Scheduled a facilitated session on October 18, 2021

COVID-19 RESPONSE GROUP

COVID-19: TESTING

- Impacts arose from Ontario Health funding shifts for access centres in 2021/2022 as well as Ministry of Health directives regarding mandatory vaccination policies

COVID-19: ISOLATION

- 4 clients as of September 7, 2021
- Operations continue in anticipation of wave 4, with operations funding extended to December 31, 2021 from KDSB has been secured

COVID-19: VACCINATION

- As of August 30, 73.3% of people 12+ years of age have their second dose, 82.2% of people 12+ years of age have a first dose
- Mass Immunization Clinics have stopped and shifted to NWHU office clinics, pop up community clinics, primary care clinics and pharmacies
- School clinics planned for the first two weeks of the school year for those aged 12 to 17

COVID-19: TEMPORARY HOUSING – VULNERABLE SECTOR

- Kenora Waterview Housing Project houses 21 people – all rooms occupied
- 6 individuals accepted KACL's Intensive Case Management
- Kenomatiwin offers GED, Literacy and Aboriginal Teachings courses to 3 occupants every Wednesday
- Explored opportunities to partner with the NWHU and LWDH on implementing several new initiatives
- 8 months of opportunities provided to individuals who were homeless to finally have a safe place to call home and a place to keep their possessions

The All Nations Health Partners Ontario Health Team (ANHP OHT) meet bi-weekly to review the ongoing strategic initiatives of the ANHP's working groups, provide partner input and make decisions that assist in working towards the development of a seamless, patient-centered health care system.

This week, the ANHP OHT Partner Table heard an update on the All Nations Hospital, discussed what partners were doing to recognize September 30th as National Day for Truth and Reconciliation, reviewed Ontario Health Team Collaborative Quality Improvement Plan Indicators, and lead generative discussions on Vaccination and Antigen Testing policies for staff and prevention for partner's health care workers.

All Nations Health Partners were successful in receiving Ontario Health Team Funding Reconciliation.

Working Group Updates
